AP86: Clioquinol  
CAS#: 130-26-7  

Patient Information  
Your patch test result indicates that you have a contact allergy to clioquinol. This contact allergy may cause your skin to react when it is exposed to this substance although it may take several days for the symptoms to appear. Typical symptoms include redness, swelling, itching, and fluid-filled blisters.

Where is clioquinol found?
Clioquinol is found in antifungal drugs used to guard against viral and protozoal infections.

How can you avoid contact with clioquinol?
Avoid products that list any of the following names in the ingredients:
- 5-21-03-00294 (Beilstein Handbook Reference)
- 5-Chlor-7-jod-8-hydroxy-chinolin
- 5-Chlor-7-jod-8-hydroxy-chinolin [German]
- 5-Chloro-7-iodo-8-hydroxyquinolione
- 5-Chloro-7-iodo-8-quinolinol
- 5-Chloro-8-hydroxy-7-iodoquinoline
- 7-Iodo-5-chloro-8-hydroxyquinoline
- 7-Iodo-5-chloroxine
- AI3-16451
- Ala-Quin
- Alchloquin
- Alioform
- Amelit
- Amoanol
- BRN 0153637
- Bactol
- Barquinol
- Budoform
- CCRIS 6050
- Caswell No. 193
- Chinoform
- Chinoformum
- Chloro-8-hydroxyiodoquinoline
- Chloroiodoquin
- Chloroiodoquine
- Chlorojodochin
- Cifoform
- Cliochinolo
- Cliochinol [DCIT]
- Cliochinolum
- Clioquinol
- Clioquinolum
- Clioquinolum [INN-Latin]
- Clioquino
c- Corque
- Cortin
- Crema-quin
- Dermaform
- Dioquinol
- Domeform
- Domeform-HC
- EINECS 204-984-4
- EPA Pesticide Chemical Code 024001
- Eczeclidin
- Emaform
- Enteritan
- Entero-Bioform
- Entero-Vioformino
- Entero-bio form
- Entero-vioform
- Enterouquinol
- Enterozol
- Enteroseptol
- Enterovalodon
- Enterozol
- Enter septol
What are some products that may contain clioquinol?

**Topical Antifungal Treatments**

**Vioform**

*For additional information about products that might contain clioquinol, go to the Household Product Database online (http://householdproducts.nlm.nih.gov) at the United States National Library of Medicine. These lists are brief and provide just a few examples. They are not comprehensive. Product formulations also change frequently. Read product labels carefully and talk to your doctor if you have any questions. These are general guidelines. Talk to your doctor for more specific instructions.*
